Moises –

I know the people at Equitas, but I don't think I know Janet, and I don't know the property owner. But it seems that the owner lives near my office. If you want to email me a copy of the form for them, I can go knock on their door.

Hello Marc,

I was speaking with Vanessa from St. Thomas yesterday and in our conversation she mentioned that you had worked with some of the charter schools in the past. Which of the two school have you worked with?

I am having a bit of trouble getting a response from Equitas Academy and New Value Prep School to commit to signing their petitions.

Janet Kalestian at Equitas has forwarded the petition to their landlord but I have not been able to get a status update since early April.

The petition for New Value School was delivered to their principal and forwarded to their CEO, David Doyle but I have been unable to get an update from him.

Do you mind reaching out to the school that you have worked with in the past and get a status update.

Your help in this is appreciated.

Sincerely,

Moises Gomez
